#### Free Guitar Chords

Join up and learn how to master the basics of guitar.

Mastering the basics means you are able to play all chords, scales, arpeggios, triads, common chord progressions etc in all keys with ease. It also means being able to transpose any song to any other key instantly, on the spot. It means never being at a loss as to which scale to use over a chord or progression and when to play it. Very powerful stuff indeed. No more fumbling around to find the right chords or notes.

95% of guitarists DON'T master these basics  
How many mastering the basics their #1 priority - shouldn't you too?

Mastering the basics does not have to be boring drudgery. With the proper system it is easy and a lot of fun. It can be as simple or complex as you want, depending on your skill level and your needs.

Free Guitar Chords gives you a step-by-step method to master the basics no matter what level you are at.
