Atmospheric and provocative, Rumaan Alam's 3rd novel begins off as an enthralling familial portrait that shortly devolves into cinematic disaster. As two family members are thrown into a nightmare, thoughts round the complexities of parenthood, and the character of race and course are brought to your area inside of a tense stand-off that will likely have you questioning exactly what you may perhaps do when faced with the collapse of civilization as we understand it. Vivid, tense and thrilling, it's a.
